

Red Pill Daily Affirmations

The following are the same affirmations I have been saying out loud every day of my life for the past 10 years. They are, I'd say, 60% responsible for my success. Say them out loud every day for the next 90 days in the Red Pill program, and watch your life transform right before your very eyes.

- Preston

If you can believe, all things are possible to him who believes

If you have faith as a mustard seed, you will say to this mountain, "move from here to there" and it will move ... and nothing will be impossible to you.

With God ALL things are possible

I walk by faith, and not by sight

The just shall live by their faith

Faith is the substance of things hoped for, the evidence of things not seen

But without faith, it is impossible to please Him. For he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him

And this is the victory that has overcome the world ... our faith

Whatever things you ask for when you pray, believe that you receive them, and you shall have them

The truth shall set me free

Today is going to be a great day

Im not tired. I'm energized! I'm energized! I'm energized! (*said with enthusiasm*)

I feel like a million bucks

Im feeling good ... like I should *(feel free to freestyle rap at this point)*

I can't WAIT to see what amazing things God has in store for me today

I've got a good feeling about today

I feel happy and joyful and peaceful and restful

I feel strong and confident and powerful

I feel well rested, and energized, and renewed, and refreshed

I feel positive and optimistic

I am a tough minded optimist

I have what it takes to make it in this world

I am a world beater

Nothing can stop me and nothing can get me down

I am a fighter

I am a warrior

I am a FINISHER

I always finish what I start

I am an overcomer

I am an achiever

I am a success

I am a winner

I am a child of God

I am a saint

I am forgiven

I am loved

I always fight because I'm a fighter

I always do battle because I am a warrior

I always win because I am a winner

I always succeed because I am a success

I always overcome because I am an overcomer

I always achieve because I am an achiever

I always believe because I am a believer

I always feel good about myself because I am God's child. Totally forgiven and totally loved

I always finish things, because I am a finisher

I expect the very best today, and with God's help, I will obtain the best

Life is good and its only getting better

Every day in every way I am getting better and better, stronger and stronger, wiser and wiser, healthier and healthier, stronger and stronger, freer and freer.

The path of life winds upward for the wise, keeping away from hell below

My loving heavenly father has gracefully and sovereignly created me to be an EXTREMELY successful real estate investor. So that's exactly what I am and that's exactly what I intend to be and do. No weapon formed against me shall prosper. Doors are opening for me. Big opportunities are presenting themselves to me every day. Key people are coming into my experience to assist me in my mission in life which is to become a multi-millionaire in real estate so that I can have a greater impact on the human race. Money is falling from the sky and flooding into my life like a tidal wave, like a tsunami, I'm being swept away and overcome and overwhelmed with the blessings and favor of Almighty God. Multi million dollar checks are showing up in my mailbox. Multi million dollar wires are coming into my bank account. Doors are opening. God's favor is upon me.

I AM A CHILD OF GOD.

Then look at yourself in the mirror and compliment yourself for being so amazing and sexy and whatever else you'd like to be.)

*Then get out there and **make it happen.***
